WATER USERS CERTIFICATE OF AGREEMENT AND MEMBERSHIP

OFFICE USE ONLY

STOCK CERTIFICATE NO: _____

CUSTOMER #: _____

This certificate is issued to _____ in accordance with, and subject to the conditions and restrictions stipulated in the Articles of Incorporation and By-Laws, and amendments to the same, of the Midway Water System, Inc.

Membership will be limited to those who obtain the organization's services. The Board of Directors shall not deny membership because of the applicant's race, color, creed, sex, or national origin. Membership may be denied if capacity of the corporation's water systems is exhausted by the need of its existing members, or, if the proposed use of the applicant is such that it would interfere with existing uses previously authorized by the Board of Directors.

The membership will automatically be transferred to the successor in interest as part of the transaction whereby the member disposes of his interest to served property. Any change in the use of the property that would have a change in the manner in which the original tap-on fees were assessed as recorded in the records on file, may result in the assessment of additional tap-on fees based upon the Rules and Regulations in effect at the time the change of occupancy is made.

The corporation shall have final jurisdiction in any question of location of any service line connection to its distribution system; shall determine the allocation of water to members in the event of a water shortage; may shut off service to a member who allows a connection or extension to be made to his service line for the purpose of supplying service to another user. The member agrees to comply with the Requirements of the State of Florida, Department of Environmental Protection in that no other present or future source of water will be connected to any water lines served by the corporation's water lines. Any existing water supply lines must be completely disconnected from place of use prior to connecting to and switching to the corporation's system.

Charges to the member shall commence on the date that water is made available by the corporation to the member. The member has final responsibility for any and all water bills incurred, until turn-off has been ordered by the member. Water service will be terminated for failure to render payment when due.

MXU Policy Statement

Your meter is read through radio frequency with instrumentation called MXU. A small part of this equipment is located on top of the meter lid, sitting approximately 1 inch high.

It is very important that the MXU not be touched or ran over with vehicles, lawn mowers, weed eaters etc. Should you damage the MXU beyond repair it will result in an estimated charge of \$152.00, the current cost of the equipment plus a \$25 labor charge. We ask that you please use caution around the meter box to prevent damage to this device.

MXU Policy instated 7/18/2007.

“I have read and understand the MXU Policy Statement.”
